**Extra Credit Information**

Each extra credit activity will be worth 5 points

You will get credit for a maximum of 10 activities = 50 pts.

**Vision Learning**

Please log in to Vision learning [http://www.visionlearning.com/en/](http://www.visionlearning.com/en/) - go to classroom and register then find my course - undergraduate classes: Physical Science 1 0402

There are a number of Modules. For each module take the quizzes and I'll be able to see the results. Let me know if you have difficulties

Each Module is worth 5 points unless otherwise stated

**Modules**  I will add modules as they pertain to topics we’re studying

**Worksheets**
See separate attachment

**PHET Simulations**
