Students will have one week to complete the take home midterm. Midterms must be typed, single-spaced, 12 font size. Make sure that your answers are your own words. If you are taking an idea or words from the textbook or any other source make sure to cite it. Plagiarism will result in zero credit for that particular question.

Answer each question completely. Make sure to double check your spelling and grammar. Each question is worth 4 points and grammar and spelling is worth 5 points.

According to dictionary.com plagiarism means “an act or instance of using or closely imitating the language and thoughts of another author without authorization and the representation of that author's work as one's own, as by not crediting the original author.”
