Classroom Norms

As a classroom we have discussed the classroom norms and have come to an agreement in the following areas:

Respectful Conduct

1. Treat other people as you would want to be treated.
2. Respect other’s opinions/answers.
3. Be courteous to others while they are sharing their thoughts and opinions by waiting to speak after they have finished speaking.
4. Please put chairs and tables back to their original place.
5. Please clean up after yourself.
6. Students who choose not to follow the classroom conduct will be given a warning. If disrespectful behavior continues then participation points will be deducted and/or the student will be asked to leave the classroom.

Electronics

1. Please keep cell phones on silent mode.
2. You may have your cell phones out on your desk as long as you are not on social media, excessively texting, or talking calls in the classroom.
3. If you have to make a call or are expecting a call you may step out of the classroom to do so.
4. Students who choose not to follow the norms will loose participation points.
5. If cell phone use gets out of control, then the instructor will ask students to put phones in their bags.
6. Lap tops are allowed in class as long as students are not misusing them.
7. No earphones on during lecture. They are permitted during independent class work time.

Late Assignments

1. Late assignments are permitted, but will result in 5 point deduction.
2. Late projects will not be accepted.
3. If you are absent for the midterm you will need to schedule a time to make it up. There will not be any make-ups for a missed final exam. If you cannot make it to class for the final exam, you can schedule to take it at an earlier time.
4. Late reading logs and journals will not be accepted.
