Assignment 01 — Storytelling

For class on Thursday, September 3, please bring in a story to tell in front of the class about an unforgettable event that happened to you.

• Your story must take less than one minute to tell. Time yourself. You will be timed and cut off at one minute.

• Your story can take any form — traditional, a fairy tale, a song, a poem, a sequence of images or objects, a dance, a puppet show, or a combination of forms. Use your imagination!

• Practice telling your story to at least one other person. Thursday should not be the first time you tell your story in front of someone else.

• No profanity, drugs, weapons, nudity or lewd behavior.
