You are required to visit Mission College programs and services to become familiar with the support systems available to you as you pursue your education. You must collect materials and compile them into your Career Binder. Points are earned through completing the visits and GETTING SIGNATURES FROM FACULTY or STAFF MEMBERS to earn points.

**Scavenger Hunt – PLACES TO VISIT**

**Collect flyers/handouts. You must show me your binder with materials to earn 10 points.**
- Once you have compiled all of your materials. Place them in the College Resources tab of your binder.
- I recommend using plastic sheet protectors to keep your work well organized.

**Counseling Office – staff/counselor signature:**
- Collect flyers representing counseling services and any other information that is available for students.
- Make an appointment with a counselor for this semester to discuss your academic plan.
- Who is the contact person?

**Transfer Center – staff/counselor signature:**
- Collect brochures, flyers, and information about the program services offered.
- Who is the contact person?

**LAMC Library – librarian/staff signature:**
- Find a collection of short stories by a contemporary author, record the title, author and library reference number.
- Collect a flyer reflecting the services offered.
- Who are the librarians? Are they available to help you do research?

**Learning Center – secretary/tutor signature:**
- Collect flyers representing the services and tutoring that are available from the ASC (Academic Success Center/Writing Center), SSC (Science Success Center), and Math Lab.
- **ASC tutor signature:**
- **SSC tutor signature:**
- **Math tutor signature:**

- Go to the INFORMATION desk in the Learning Center and view the ILO wall. **Explain what the painted image represents in the space below:**
